Two's Potty Training Policy/Acknowledgement Form

Child's Name: _____

Child's Date of Birth: _____

As your child reach another milestone in his/her little life they will be allowed to move up to the next age group here at Kradle To Kindergarten Preschool.

It is very important that you assist your child's teacher with potty training, also work with your child on self-help skills. This allows for an easy transition to the next age group.

Our Three year old teachers do not potty-train therefore it is essential your child is fully potty-trained by age three.

In addition to your child moving up to the next age group, please be advised if your child is not fully potty-trained by their third birthday, there will be an additional fee applied to your tuition until your child is fully potty-trained.

All fees are subject to change.

By signing below, you have read and understand and agree to the terms pertaining to the above statement.
